- Data Analytics
- Mathematics
- Graphic Design
- Human Resources Management
- Renewable Energy Systems
- Computer Networks
- Artificial Intelligence
- Applied Petroleum Engineering Technology
- Manufacturing & Automation Engineering

Program Accreditation and Certifications

- ✓ Higher academic standards
- ✓ Greater ease in transferring credits to another institution or applying to graduate school
- ✓ Increased employability

The Accreditation Board for Engineering and Technology (ABET)

- The Bachelor of Science program in Computer Science is accredited by the Computing Accreditation Commission (CAC) of ABET.
- The Bachelor of Engineering programs in Computer and Communications Engineering, Electrical Engineering, Biomedical Engineering, Mechatronics Engineering, Mechanical Engineering, and Civil Engineering are accredited by the Engineering Accreditation Commission (EAC) of ABET.

Human Resource Certification Institute's (HRCI) Higher Education Network

The RHU Management and Marketing Studies Department is a member of the prestigious HRCI Higher Education Network. This aligns its HRM program with the globally recognized aPHRi™ certification. Students gain world-class credentials and skills for successful HR careers.

Accreditation by the Federation of Arab Engineers

- The College of Engineering has acclaimed accreditation by the Federation of Arab Engineers for the Bachelor of Science, Bachelor of Engineering, and Master of Science programs in all offered majors. This enables our graduates to pursue their engineering careers, become members of professional societies, as well as resolve any residency renewal issues in Arab countries.

Institute of Management Accountants

The College of Business Administration has received a distinguished endorsement from the prestigious Institute of Management Accountants (IMA) in recognition of the high quality of its Accounting program. As part of this recognition, five outstanding students from the fields of Accounting, Finance and Banking have been awarded prestigious scholarships, granting them the opportunity to pursue the globally respected Certified Management Accountant (CMA) certification.

The Accreditation Council for Business Schools and Programs (ACBSP)

In 2019, the College of Business Administration became the 1st Lebanese university to earn full ACBSP accreditation for all its degrees and programs.

Modest **Income** based on
number of hours worked

- Students can work up to 8 hours weekly to earn income
- An Application is needed
- Benefits starting Second Semester

Student Life - It is all about you

01 Athletic & Gymnasium Facility

Compete nationally & internationally with our top-ranking varsity teams. Stay in peak form with access to our fully equipped, state-of-the-art gymnasium.

02 Health and Wellness Services

Enjoy round-the-clock services designed truly to ensure your well-being, comfort, and safety on and off campus.

03 Student Housing

Experience a vibrant community life surrounded by lush greenery & a secure environment, your home away from home.

04 Transportation and Parking Services

Commute with ease thanks to our extensive transportation services covering Beirut, Saida, Iqlim, Chouf, and surrounding areas.

05 Library

Access a wealth of resources & services that support your coursework and research needs whenever you need them.

06 Student Center and Lounge

Relax at our recreational centers with friends over board games, billiards, and other social activities.

07 Student Council

Participate in student council elections - vote, campaign, or run as a candidate - and make your voice count on campus.

08 Student Clubs & Professional Societies

Take part in fun, cultural, educational, & social activities by joining clubs & societies such as the Women in Engineering Society, Robotics Technology Club, IEEE Society, Public Speaking Club, Community Service Club, ASCE Society, and more.

Achievements and Accomplishments

Adobe World Championship

RHU proudly celebrates our Graphic Design student's win of 5th place globally at the 2025 Adobe Certified Professional World Championship in Orlando, Florida.

2025 Rankings

A1. Student Support and Engagement
Top 100

RHU Ranks 36th Worldwide

In 2025, RHU proudly ranked 36th globally in the "Student Support & Engagement" category of the World University Rankings for Innovation (WURI), selected from nearly 4,866 submissions by over 1,350 universities.

RHU Rocks the ASME EFX 2025

In a remarkable achievement, RHU's ASME Student Section from the College of Engineering secured both 1st and 2nd place in the Student Design Competition at the ASME EFX event held at NDU on March 20–21, 2025.

Cosmaline CampusCraze Competition

The College of Business Administration team achieved 3rd place among 72 teams competing against top universities across Lebanon. This achievement reflects the talent and dedication of our students.

Basketball Silver League Final

The RHU men's basketball team secured victory in the FSUL Basketball Silver League final.

RHU Admissions Process

Applications can be completed online at:

<https://ungradapp.rafikhaririuniversity.org/>

- High school official records of the last three years.
- A certified copy of the official certificate or diploma, such as the Lebanese Official High School, Technical Baccalaureate, or French Baccalaureate.
- A certified copy of the official Lebanese High School equivalence of all non-Lebanese degrees from the Lebanese Ministry of Education.
- An official university transcript, along with the university catalog (for the transfer students only.)
- Original personal civil status record (for Lebanese applicants)
- Copy of Lebanese identity card
- Photocopies of passport and residence permit or ID (for non-Lebanese applicants)
- Three identical recent passport-size-colored photos
- Non-refundable application fee of \$30

Examination Requirements

English language proficiency proof by submitting one of the following official exams:

- International Test of English as a Foreign Language (TOEFL)
